### Holacracy The New Management System

This is the management system we still default to today. Holacracy is designed for humans. Every industry today involves complex knowledge work. Even modern factory workers need to contribute in ways that prior generations couldn't imagine. You're not part of a machine. Your work challenges change frequently and require creative, uniquely human problem-solving. Holacracy is a management ...

### Holacracy

Holacracy is a method of decentralized management and organizational governance, which claims to distribute authority and decision-making through a holarchy of self-organizing teams rather than being vested in a management hierarchy. Holacracy has been adopted by for-profit and non-profit organizations in several countries. This can be seen as a greater movement within organisational design to ...

### Holacracy - Wikipedia

Explore Holacracy Holacracy is a new way of running your company. It replaces conventional management, but without getting rid of the really good stuff that we've learned over the past century or so. Power is distributed through transparent rules and roles, all guided by your organization's purpose. Everyone is free to do their best work ...
