It's time to throw away the rule book... Idealistic archaeologist Lily Rose craves a fairy-tale love, but in her experience it always ends in heartbreak. So now Lily's trying a different approach—a fling with her boss, infamous Greek playboy Nik Zervakis! Anti-love and anti-family, Nik lives by his own set of rules. There's no one better to teach Lily how to separate sizzling sex from deep emotions! But while Nik has the world at his feet, he also has dark shadows in his heart... It starts as a sensual game, but can Lily stick to Nik's rules? And what's more, can he?

Cate Nightingale owns and operates a struggling guest house in a small community; occasionally enlisting the help of Cal Harris, the shy, enigmatic local handyman. To Cate's shock, Cal proves much bolder than expected when a trio of thugs invades her home, demanding the possessions of a guest who vanished some days before. Though Cal manages to run off the intruders, the men soon regroup and shut down phone access in the village, holding its citizens hostage. In a desperate bid for survival, Cate and Cal strike out on their own, determined to solicit help from a neighbouring town. But as Cate witnesses Cal's astonishing evolution from reticent carpenter to fearless protector, she begins to wonder if there is more to Cal than meets the eye "A girl struggles to take care of her younger brother with special needs while confronting her own anger issues"-- Completely revised new editions of the market-leading Biology textbooks for HL and SL, written for the new

New York mungkin berada di urutan teratas daftar kota yang paling banyak dijadikan setting cerita atau film. Di beberapa film Hollywood, mulai dari Nora Ephron's *You've Got Mail* hingga Martin Scorsese's *Taxi Driver*, New York bahkan bukan sekadar setting namun tampil sebagai 'karakter' yang menghidupkan cerita. Ke kota itulah Raia, seorang penulis, mengejar inspirasi setelah sekian lama tidak mampu menggoreskan satu kalimat pun. Raia menjadikan setiap sudut New York 'kantornya'. Berjalan kaki menyusuri Brooklyn sampai Queens, dia mencari sepenggal cerita di tiap jengkalnya, pada orang-orang yang berpapasan dengannya, dalam percakapan yang dia dengar, dalam tatapan yang sedetik-dua detik bertaut dengan kedua matanya. Namun bahkan setelah melakukan itu setiap hari, ditemani daun-daun menguning berguguran hingga butiran salju yang memutihkannya kota ini, layar laptop Raia masih saja kosong tanpa cerita. Sampai akhirnya dia bertemu seseorang yang mengajarnya melihat kota ini dengan cara berbeda. Orang yang juga menyimpan rahasia yang tak pernah dia duga.

From the critically acclaimed author of *Rainbirds* comes a novel of tragedy and dark histories set in Japan. University sophomore Miwako Sumida has hanged herself, leaving those closest to her reeling. In the months before her suicide, she was hiding away in a remote mountainside village, but what, or whom, was

she running from? Ryusei, a fellow student at Waseda who harbored unrequited feelings for Miwako, begs her best friend Chie to bring him to the remote village where she spent her final days. While they are away, his older sister, Fumi, who took Miwako on as an apprentice in her art studio, receives an unexpected guest at her apartment in Tokyo, distracting her from her fear that Miwako's death may ruin what is left of her brother's life. Expanding on the beautifully crafted world of Rainbirds, Clarissa Goenawan gradually pierces through a young woman's careful façade, unmasking her most painful secrets.

A formal dinner in palatial, Gilded Age Newport stuns Val DeVere when her closest friend whispers a terrifying rumor. The friend's ultra-rich auntie's fatal heart attack at Mrs. Astor's annual ball last winter was murder. When the aunt's reclusive daughter-and heir-succumbs to "heart failure," Val and husband Roddy probe the deaths to shield their dear friend who is next in line to inherit the family fortune-and sudden death. Society's "odd couple," Val and Roddy, a.k.a. Valentine and Roderick DeVere, blend his Old New York savvy and her mountain West vision to ask: Is Newport truly Society's "place to take root in," or a dear friend's place to die?

Purity. What exactly is it? According to bestselling authors Hayley and Michael DiMarco, purity is far more than abstinence from sex or other sexual activities. It's not about rules. It's not a list of don'ts. It's not about scare tactics, teen pregnancy statistics, or warnings about STDs. And it's not ruined the moment we mess up. It goes way deeper than that. In their honest, down-to-earth style that teens trust, Hayley and Michael explain that purity starts in the heart and involves every thought, desire, and action--not just sex. They show that purity isn't just for the superspiritual, but that it is a daily choice that every teen must make. And most importantly, they show teens that it's never too late to become pure

and that lost purity can be redeemed through God's grace.

Lost for forty years, a new novel by the author of *The Good Earth* *The Eternal Wonder* tells the coming-of-age story of Randolph Colfax (Rann for short), an extraordinarily gifted young man whose search for meaning and purpose leads him to New York, England, Paris, a mission patrolling the DMZ in Korea that will change his life forever—and, ultimately, to love. Rann falls for the beautiful and equally brilliant Stephanie Kung, who lives in Paris with her Chinese father and has no contact with her American mother, who abandoned the family when Stephanie was six years old. Both Rann and Stephanie yearn for a sense of genuine identity. Rann feels plagued by his voracious intellectual curiosity and strives to integrate his life of the mind with his experience in the world. Stephanie feels alienated from society by her mixed heritage and struggles to resolve the culture clash of her existence. Separated for long periods of time, their final reunion leads to a conclusion that even Rann, in all his hard-earned wisdom, could never have imagined. A moving and mesmerizing fictional exploration of the themes that meant so much to Pearl Buck in her life, *The Eternal Wonder* is perhaps her most personal and passionate work, and will no doubt appeal to the millions of readers who have treasured her novels for generations.

Prowling the seedy red-light districts, the underground club circuit and the house parties of wealthy Indonesian society, Moammar Emka offers a unique glimpse into the underbelly of modern, urban Jakarta. This is the book that took Indonesia by storm. Moammar Emka is Jakarta's answer to Carrie Bradshaw; this is ""Sex and the City"" Indonesian-style!

Membaca Critical Eleven? Tiga menit pertama yang menyenangkan, delapan menit terakhir yang mengesankan, dan hanya butuh kurang dari 11 detik untuk memutuskan bahwa ini adalah karya favorit saya dari Ika Natassa. Ika sebagai pilot, mengendalikan segalanya dengan sangat baik dan berakhir dengan super smooth landing. Impressive! I absolutely love this book! Romantic and uplifting.

This book will successfully put a smile on your face and also make you think." NINIT YUNITA Đ

PENULIS "Sebagai pencinta bandara tanpa tempat pulang yang tetap (dan benci terbang, seperti Anya), saya menemukan sekeping ÔrumahÕ di buku ini sejak halaman pertama. Ika bertutur dengan hangat dan memikat (dengan sentuhan yang ÔIka bangetÕ) sehingga pembaca akan merasa dekat dengan sosok Anya dan AleĐĐsesuatu yang menurut saya sangat penting dalam sebuah cerita. Satu lagi: novel ini harus dibaca sambil minum kopi. YouÕll know why!" JENNY JUSUF Đ PENULIS &

SCRIPTWRITER Dalam dunia penerbangan, dikenal

istilah critical eleven, sebelas menit paling kritis di dalam pesawat—tiga menit setelah take off dan delapan menit sebelum landing—karena secara statistik delapan puluh persen kecelakaan pesawat umumnya terjadi dalam rentang waktu sebelas menit itu. It's when the aircraft is most vulnerable to any danger. In a way, it's kinda the same with meeting people. Tiga menit pertama kritis sifatnya karena saat itulah kesan pertama terbentuk, lalu ada delapan menit sebelum berpisah—delapan menit ketika senyum, tindak tanduk, dan ekspresi wajah orang tersebut jelas bercerita apakah itu akan jadi awal sesuatu ataukah justru menjadi perpisahan. Ale dan Anya pertama kali bertemu dalam penerbangan Jakarta-Sydney. Tiga menit pertama Anya terpicat, tujuh jam berikutnya mereka duduk bersebelahan dan saling mengenal lewat percakapan serta tawa, dan delapan menit sebelum berpisah Ale yakin dia menginginkan Anya. Kini, lima tahun setelah perkenalan itu, Ale dan Anya dihadapkan pada satu tragedi besar yang membuat mereka mempertanyakan pilihan-pilihan yang mereka ambil, termasuk keputusan pada sebelas menit paling penting dalam pertemuan pertama mereka. Diceritakan bergantian dari sudut pandang Ale dan Anya, setiap babnya merupakan kepingan puzzle yang membuat kita jatuh cinta atau benci kepada karakter-karakternya, atau justru keduanya.

Welcome to Underground, the most prominent music television station in the United States, where young, talented entertainers and VJs live their normal lives, that is if you can call living under the limelight for ten hours a day, flying on Marquis Jet to cover AmsterJam and Live 8, and pose for the cover of Rolling Stone magazine "normal". Under the spotlight, everything seems perfect. Liv has just been listed as one of the 50 Most Beautiful People in the World. Stefan, the so-called most eligible bachelor in New York, successfully started a celebrity online promotion company. Gavin got his band signed on a major label. Claire is being headhunted by MTV and VH1. Heather and Jared are making the most of their love story on set. Shareef and Aaliyah can easily replace Brad Pitt and Angelina Jolie to pose for W magazine as the perfect

American family. But when the spotlights have went out and the red carpet has been rolled, they have to face the hard truth. Abstinence versus promiscuity, gossips on tabloids, drugs, plastic surgery, to unwanted pregnancy are just the tip of the iceberg. Underground is a simple novel about the complex life of celebrities, although like most of us, they are too still trying to define the true meaning of friendship and love.

The life of a business banker is 24/7, dan bagi Andrea, bankir muda yang tengah meniti tangga karier di salah satu bank terbesar di Indonesia, rasanya ada delapan hari dalam seminggu. Power lunch, designer suit, golf di Bintan, dinner dengan nasabah, kunjungan ke proyek debitur, sampai tumpukan analisis feasibility calon nasabah, she eats them all. Namun di usianya yang menginjak 29 tahun, Andrea mungkin harus mengubah prioritasnya, karena sekarang ada Adjie, the most eligible bachelor in banking yang akan segera menikahinya. So she should be smiling, right? Not really. Tidak di saat ia harus memilih antara jabatan baru dan pernikahan, menghadapi wedding planner yang demanding, calon mertua yang perfeksionis, target bank yang mencekik, dan ancaman denda lima ratus juta jika ia melanggar kontrak kerja. Dan tidak ada Manolo Blahnik atau Zara atau Marc Jacobs yang bisa memaksanya tersenyum saat ia mulai mempertanyakan apakah semua pengorbanan

karier yang telah ia berikan untuk Adjie tidak sia-sia, ketika ia menghadapi kenyataan bahwa tunangan sepenuhnya mungkin berselingkuh dengan rekan kerjanya sendiri. Welcome to the world of Andrea Siregar, the woman with the most rational job on the planet as she is making the most irrational decisions in her own personal life.

In a market place flooded with consumer goods, the modern consumer has become incredibly savvy. They have developed to a point where they consider such things as what makes them look beautiful, what improves their character, and how a product enhances the value of life. If future product developers do not strategize the market-in concept, consumers will very likely turn their backs on those products. Written by Mitsuo Nagamachi, the founder of the technology, Innovations of Kansei Engineering elucidates Kansei Engineering, a unique product development technology based on the customer's feelings, wants, and needs. It defines the technology, its methods, and the developmental process related to designing a product. The book discusses how to: Break down the design into separate elements Interpret the Kansei of each element Design the overall product The text details how to construct the intelligent computer system to support new product development using the neural network model and fuzzy logic. It also addresses product quality control management and presents

statistical methods of design. Using this innovative technique, you can turn your vision into a shape that can then be transformed into consumer goods that stand out.

Not all true love is destined to last . . . Livia knows three things about love so far: 1. People don't always tell you the truth about how they feel. 2. Nothing that happens between two people is guaranteed to be private. 3. She doesn't know if you ever get over having your heart broken. Livia's experience of love has been disappointing to say the least. But all that is about to change. After years of illness, she's off to spend the summer with her brother in America. She's making up for lost time, and she's writing it all down in her private blog. America is everything she

ever dreamed of - and then she meets Adam. Can Livia put the past behind her and risk falling in love again?

A merciless groom A not-so-convenient bride

The sister is a knife thrower in a magician's stage act, the brother is an undertaker's assistant. Neither orphan knows of the other's existence. Until, that is, three terrible Aunts descend on the girl's house and imprison her guardian, the Great Cardamom. His dying act is to pass the girl a note with clues to the secret he has carried to his grave. Cardamom was one of three explorers on an expedition to locate the legendary Amarant, a plant with power over life and death. Now, pursued by flesh-eating crow-like ghuls, brother and sister must decode the message and save themselves from its sinister legacy.

Touch is the most important sense we have. Without it, we cannot entirely feel pleasure or pain - we are less than human. In fact, as David Linden demonstrates in the astonishing stories gathered here, touch is central to who we are - from choosing our partners to comforting us on our deathbeds.

Exploring the many surprising facts and myths about our sense of touch, Linden reveals how it defines us - and how, by understanding it, we can better know ourselves.

Provides coverage of the syllabus requirements and the options for Biology HL. This book uses illustrated examples and levelled exercises. It gives links to TOK and enables exam-style assessment opportunities using questions from past papers. It is supported by teacher's notes.

In *Do Less, Get More*, entrepreneur and bestselling author Sháá Wasmund reveals that the key to fulfilment isn't doing more, it's doing what matters. Is your life how you imagined it would be, or is the reality more stressful than you planned? Do you put yourself under too much pressure to succeed? Are you struggling to find time for the things, and people, you love? It doesn't have to be this way. Anything is possible when you stop trying to do everything at the same time. This life changing book gives you the tools to ditch your to-do list and follow your dreams. It will be your essential guide to doing what you love - and letting go of the rest. When Morton Farrier is presented with a case revolving around a mysterious letter written by disreputable criminal, Ann Fothergill in 1827, he quickly finds himself delving into a shadowy Georgian underworld of smuggling and murder on the Kent and Sussex border. Morton must use his skills as a forensic genealogist to untangle Ann's association with the notorious Aldington Gang and also with the brutal killing of Quartermaster Richard Morgan. As his research continues, Morton suspects that his client's family might have more troubling and dangerous expectations of his findings. This is the seventh book in the Morton Farrier genealogical crime mystery series, although it can be enjoyed as a stand-alone story. Suspense/Thriller Novel set in Oklahoma City

"Crazy, Stupid, Love meets Notting Hill. About an actress making it big and the complicated relationship she has with the guy she met as a teenager. You'll read it in two days" —The Skimm Their meeting in a parking lot outside a high school football game was both completely forgettable and utterly life-changing. Because no matter how you look at it, it is piss-poor luck to meet the love of your life before your life has even started. Fierce and ambitious, Alison transforms into a rising TV star in New York City while her first love, Kyle, all heart and spiritual yearning, becomes a pediatrician in suburban Cincinnati, married to the wrong woman. What

could these mismatched souls have to do with each other? Everything and nothing. Even as their fates rocket them forward and apart, neither can fully let go of the past. As their lives inevitably intersect, Alison and Kyle must face each other in the revealing light of their decisions. *I'm Glad About You* is a glittering study of how far the compromises two people make will take them from the lives they were meant to live.

Everyone in Green Valley, Tennessee knows that the six bearded Winston brothers have been imbued with an unfair share of charm and charisma... and are prone to mischief.

This volume is the result of a conference held in October 2015 in connection with the Frankfurt Book Fair discussing developments that are considered important in contemporary Indonesian cultural productions. The first part of the book reflects on the traumatic experiences of the Indonesian nation caused by a failed coup on October 1, 1965. In more general theoretical terms, this topic connects to the field of memory studies, which, in recent decades, has made an academic comeback. The focus of the chapters in this section is how certain, often distressing, events are represented in narratives in a variety of media that are periodically renewed, changed, rehearsed, repeated, and performed, in order to become or stay part of the collective memory of a certain group of people. The second part of the book explores how forces of globalisation have impacted upon the local and, linguistically

surprisingly, rather homogeneous cultural productions of Indonesia. The main strands of inquiry in this second section are topics of global trends in religion, responses to urban development, the impact of popular literary developments, and how traditions are revisited in order to come to terms with international cultural developments.

ÒJadi lebih penting punya Furla baru daripada ngilangin nama mantan laki lo dari dada lo?Ó Pernah nonton Red Dragon? Aku masih ingat adegan saat Hannibal Lecter yang diperankan Anthony Hopkins melihat bekas luka peluru di dada detektif Will Graham (Edward Norton), dan berkata, ÒOur scar has a way to remind us that the past is real.Ó Alexandra, 27 tahun, workaholic banker penikmat hidup yang seharusnya punya hidup ÒsempurnaÓ dan masa depan cerah. Seharusnya. Sampai ia bercerai dan merasa dirinya tidak lebih daripada damaged good. Ava has returned home for her brother's wedding after being away for eight years; there she encounters her brother's best friend, Caleb?the same man who took her virginity at the high school prom and then proceeded to go to the Caribbean

with another girl the very next day. No doubt the bonds trader still lives in the lap of luxury, galavanting with gorgeous women every day. In her anger, she fails to notice the predator's hunger in Caleb's eyes when he sees how beautiful she has grown.

A New Year. A New Page. A New Reading Group. Five women meet for their first reading group, little realising this social gathering over books and glasses of wine might see them share more than literary debate and will, in fact, take each of them to places theyd never imagined. Harriet and Nicole are the ringleaders, best friends who cant quite admit to themselves or one other they might be trapped in loveless marriages. While Polly, a determined single mum, finds herself tipped off course by an unexpected proposal. Susan, usually so carefree and happy, is forced to face a shattering reality and Clare, quiet and mysterious, plainly has more on her mind than next weeks book choice. Over the coming year their worlds will intertwine in delightful, unexpected and surprising ways. Stories will be re-written as dreams are made and broken, but through it all theyll have the Reading Group, with friendship, tears and laughter featuring in every chapter of their lives.

We've all been there: stuck in a cycle of what-ifs, plagued by indecision, paralyzed by the fear of getting it wrong. Nobody wants to live a life of constant overthinking, but it doesn't feel like something we can choose to stop doing. It feels like something we're wired to do, something we just can't escape. But is it? Anne Bogel's answer is no. Not only can you overcome negative thought patterns that are repetitive, unhealthy, and unhelpful, you can replace them with positive thought patterns that will bring more peace, joy, and love into your life. In *Don't Overthink It*, you'll find actionable strategies that can make an immediate and lasting difference in how you deal with questions both small--Should I buy these flowers?--and large--What am I doing with my life? More than a book about making good decisions, *Don't Overthink It* offers you a framework for making choices you'll be comfortable with, using an appropriate amount of energy, freeing you to

focus on all the other stuff that matters in life.
